VIRGIN TERRITORY

READER FORUM FOR HOT TOPICS, QUESTIONS, COMMENTS AND SUGGESTIONS.

Still A Virgin

Dear Virgin Territory,

The Aug. '18 issue arrived yesterday. Can Riley, Anastasia and Madison come and visit? I don't know how to go about getting laid! I try to talk to girls, but it doesn't work. Maybe the ones mentioned above could help me? I think I am going to have to accept that I will be a virgin forever! Or maybe try something different. How about, "Hi, you're cute. What does it take to get

you naked?" Or, "Hi. Do you wanna fuck?" Oh well.—J.H., Aberdeen, South Dakota

Dear J.H.,

We wouldn't recommend that approach. Perhaps reading some of the advice in the book *How to Win Friends and Influence People* by Dale Carnegie would be helpful.

Shower Riley With Cum

Dear Virgin Territory,

Your Brace-Face Issue was full of so many hot girls, but I'd have to say my favorite is Riley even though she doesn't have braces. She's one of the prettiest girls I've ever seen. Those blue eyes and her sweet smile just make me melt. I'm also a fan of her

Riley cleans up in the shower before getting down and dirty.

petite-sized body. Her having a landing strip bush is also a nice change of pace from the usually bald pussies we see these days. Her pussy and butthole look absolutely tantalizing. I would love to take a shower with Riley. I imagined myself getting down on my knees and tonguing her meaty pussy while she stood above me, both of us in the shower feeling hot water running down our bodies. I also imagined bending her over and fucking her from behind, and then having her swallow my load. Also, thank you for the sudsy close-up of her pussy and pubes. That was a nice touch. I can't wait to see more of this beauty—W.A., via email

Dear W.A.,

You're in luck! Riley is the centerfold layout in this issue, starting on page 44.

Lust At First Sight

Dear Virgin Territory,

It finally happened. After watching one too many SCORE Group DVDs my player finally quit on *Introducing Milly Marks!* (I'm really more of a *Voluptuous* and *XL Girls* fan, but I like

all kinds of girls and I subscribe to all your publications.) She's such a brick house she broke my deck. Luckily, the problem was that the tray wouldn't close after I popped the disc out. I had a similar experience back in the VHS days, but in that case the player died with the tape still inside, and I had to spend several long hours dismantling it to retrieve a treasure trove of smut.

So I bought my first-ever Blu-ray player. And the first Blu-ray I ordered was *After School Slut Club 6*. Despite costing a few bucks more than the DVD of the same title—not complaining; that's always so—it had no previews of your other available hardcore movies. So when your next catalog came I added the DVD version to my order, as the previews (of movies I typically already own) are a feature I enjoy.

How could you not fall in love with a girl like Hannah?

Now let me say that I too, like F.T. who writes to you in the Aug. '18 issue, have also fallen in love with Hannah at first sight. It made my day to see her in the Feb. '18 issue in a spectacular spread. Hannah Hays has hands down the prettiest pussy I've ever seen in my entire life, and there are some truly excellent shots of it in your pictorial! Then there's the pic on page 9 which hints at a future XXX photo shoot, which lo and behold came to fruition in your April issue to my great delight!

Now I have to admit that Hannah looks so much like my girlfriend's 19-year-old daughter that when I first saw her I found myself unable to cream over her out of guilt sparked by the resemblance.

Fortunately, both your solo and hardcore spreads feature her with curled hair, making her look different enough from my girlfriend's straight-haired stunner that I can now satisfy my carnal desire for Hannah without getting my wires crossed. Yet another reason I owe you a debt of gratitude! But I have one nagging question. You answered F.T. that he could see Hannah in *After School Slut Club 6*. I didn't remember her being in the Blu-ray of that movie, though there are some standout performances by the other girls, so I rewatched it on my newly acquired DVD player just to be sure. And just as she is not featured on the cover, neither is her scene in the movie. So my hope is that your statement was a misprint, and my question is: Does that mean we will be treated to seeing her in an upcoming movie? Please let the answer be yes. I look forward to it with bated breath.

The Aug. '18 Brace-Face Issue is one of your best of all time, and the next

movie I plan to watch is *Cum On My Braces*, which I have moved to the top spot in my "on-deck roster" thanks to the video preview!

Here's an idea for a scene I'd like to see. Have teen titter Mila from Feb. 18's cover get stopped in public by an older guy who rudely grabs her tits. She says, "Hey, stop that, mister!" Nevertheless, one thing leads to another and the pair go somewhere to get down. But the hook is that the guy keeps trying to squeeze her tits throughout the scene, and every time she tells him to stop or else she's going to stop sucking and fucking him. She even gives him a tit fuck as long as it's "hands off, mister!" For the finale she won't even let him cum on her tits, but he does anyway, so she has to lick it up real quick to get it off her forbidden fruits.—D.H., Towson, Maryland

Dear D.H.,

We apologize for the mistake.

Hannah's XXX scene is actually in Flat & Fucked 11, which you can see a preview of starting on page 12 of this issue.

Hardware Hottie

Dear Virgin Territory,

I think girls with braces are cute, so I enjoyed the Brace-Face Issue.

I hope you can do more braces themes in the future, especially with Lexi. I saw that she is in the movie *Cum On My Braces* and I am definitely looking forward to her scene. I can't wait to see that pretty brace-face smile of hers covered in cum. She has the best boobs in the issue—a nice, perky pair of C-cups which look even fuller and more protruding on her tiny, skinny body. Thanks for the large close-up photo of her pussy and butthole, as I always like to get well-acquainted with a girl's holes to fuel my fantasies. And just in case this comes up, because I sometimes see letters complain

Can't go wrong with braces and nice tits.

about this, I don't mind Lexi's nipple piercings at all. In fact, I would love to flick them with my tongue. I like the hardware in her mouth and in her nips. And please run her hardcore layout soon! Dear M.J.,

We're glad you appreciate both sets of Lexi's metal. And you'll be seeing her hardcore layout in an upcoming issue.

A Real Cameltoe

Dear Virgin Territory,

Usually when someone talks about cameltoes it's just the girl with her panties and/or shorts hiked up. But wow, Madison has one even when she takes her panties off! I've rarely seen such a naturally puffy cameltoe mons pubis. It could also be compared to a clam. It's interesting that she has such puffy outer lips but virtually no labia. She's an excellent and unique find! And I bet that little puffy pussy feels just as tight as it looks. But let me not get carried away. What I meant to tell you is that I love girls with unique and unusual body parts. Madison is obviously the stand-out from the August '18 issue. But some others include Alice and

her piffies from the Holiday '13 issue, Holly's ginger bush from March '11, Malvina's elvish beauty from Dec. '15 and Alex's surplus of labia in the Holiday '15 issue. And yes, I am that much of an *18eighteen* fan that I remember specific girls even from years back. I love regular pretty girls as much as the next guy, but I especially love it when the girl has something unique about her.—G.D., Philadelphia Pennsylvania

Dear G.D.,

We appreciate a girl with unique features as well. That's what makes life interesting. As a celebration of diversity in body shapes and sizes, here's a bonus photo of Madison's puffy pussy.

FLAT&fucked 11

Tiny-titted teens work their pussies for cum!

Six flat-chested teens might not be able to fill out a bra, but their tight pussies can get filled with big, hard cocks. The 11th installment of this best-selling series features the petite, tiny-titted girls you love to see getting fucked hard. And although they're young and inexperienced, they sure as hell aren't boring lays. That's because they're on a mission to prove that flatties can suck and fuck just as well as busty girls. It must be true, considering the sizeable facials both Riley and Anastasia get.

Hannah is a cute southern Belle with a flat chest and meaty pussy lips. Inside those meaty folds is a tight, pink slit. Her piano instructor slides his rod in and her snug pussy squeezes his shaft. Hannah's never been stretched like this before, but she holds her own. And Danni lets us watch as she gets her face fucked and her pussy pounded. You can tell she loves sex as she moans and writhes with every stroke into her twat!

Kenzie practically impales her face on her tutor's rod for a dirty deep-throating. The fucking is as rough as her sucking. Kenzie thrusts her hips and pounds her pussy down on his cock. She coats his shaft with her pussy cream then swallows his cum. Madison and her guy get straight to the action. Her pussy and butt-hole go up and down as she rides. Madison has a stud above her clit that she likes to rub. She's a moaner who likes to get pounded. She's a flattie who likes to get facialized. She's our favorite kind of teen.

Zoe is practicing for public sex.

This little hottie has never done the deed in public, but she'd like to. So she's preparing by getting naked outdoors. "This is my first time being naked outdoors, and it's exciting. Being naked outside makes me feel even *more* naked because I can feel the sun and breeze on my titties and pussy. I figured this would be a good first step before having sex somewhere public. I'd love to do it in a park or in the woods and especially at the beach! I love the idea of doing something so naughty."

What's the kinkiest thing you've done?

"A foursome at my friend's house. It was me, another girl and two guy friends. I guess we were all really horny! It started with my friend and I making out. Then I went down on her and the two guys started jerking off. So we started blowing them and took turns sucking their cocks. Then we fucked them. My favorite moment was when my girlfriend and I made out while we were both riding a guy."

Cutting class... How had she ever agreed to it? But, she had, and of course, she'd gotten caught. What happened in the office, though, was anything but what Vicki expected, as she learned first-hand that behind closed doors? Her high school didn't suffer from a...

Lack of Principals

By Joe Monks

Vicki couldn't believe it. Her face burned with embarrassment as Mr. Mulvaney walked her to the office. Other kids stopped to look. Chrissy Tyler pointed. So much for her straight-A average and perfect attendance. So much for four consecutive years on the honor roll. All of it was going right down the drain.

Like a prisoner, she was led into Miss Davis' office, where things got even worse. The other assistant principal, Dr. Rand, was sitting there too, drinking coffee. Both stared. Their shock at seeing her was obvious.

"Sit down, Victoria," Miss Davis instructed, pointing to a chair. Vicki collapsed into it.

"Well, this is quite a surprise," she began, flipping open a file. Mr. Mulvaney says he caught you trying to sneak out of the shop hallway exit. Is that true?"

Vicki squirmed. What was she supposed to say? She'd been caught right outside the door. Mulvaney had been more surprised than Davis and Rand, nearly bowling Vicki over as he was headed back inside. Vicki hadn't been, though. That's the kind of thing that happened to you when you were four feet and 11 inches tall.

"Yes," she finally admitted, wishing she could just disappear. Not that having Dr. Rand in the room was torturous. For an older guy, he was fucking hot. Hot with a capital H. Always dressed sharp, in suits which accentuated his broad shoulders. Half of Vicki's classmates talked openly about how they wouldn't mind spending a session or three in detention with him...assuming it was a solo, uh, punishment. Some of the things Cindy Velucci said she'd do to him were so dirty they made Vicki squirm. Cindy had a mouth on her that was almost as big as her

boobs, which was saying something. And, she really got into it when she was talking about the stuff she wanted to do. Or, was willing to try.

"You actually cut a class?"

Davis was trying to wrap her head around it. Vicki nodded.

"You? Why?"

Uh-oh, she thought. This? This could be a problem.

"Just, to do it, I guess."

"I find that rather hard to believe," Rand interjected, making eye contact with her. Rand and "hard" in the same tiny office made it feel like the walls were closing in. Vicki couldn't help but glance at his crotch. The bulge that every girl in her grade had noticed—even the girls who liked girls—would've been tough for a blind girl to ignore. Vicki quickly dropped her gaze to the floor...and shifted her thighs. Just enough so they rubbed together a little. She hoped fidgeting in her seat got chalked up to her being in trouble. It might make however long this was going to take a little easier on her pussy, which was practically dripping. Despite the circumstances, her clit was throbbing. Maybe it'd be best if she did get sent home. At least then she could finger herself and pretend the day had never happened.

"C'mon, Victoria, be real. That just isn't you, we all know that. What were you doing down in the shop hallway anyway? You don't have shop this semester."

Vicki felt cornered. How was she going to explain her way out of this? Rand put down his coffee, crossing his legs. Good god, but he had some package! Again, she looked away, but this time, it didn't help. She wound up staring across the desk, right into Miss Davis' cleavage. Was it getting warmer in here, or what? It certainly felt harder to breathe. She was going to have to come up with something, though, and fast. It was clear that Miss Davis and Dr. Rand weren't going to just throw her in detention and send a note home to her parents.

"Were you planning on meeting up with someone?" Rand asked, leaning in. Vicki could swear his junk had doubled in size. But, he'd given her an out, at least.

"Well, yeah," she admitted, hoping that would be the end of it. She was

going out to have lunch with friends. Who didn't do that once in a while?

"A boy, perhaps?" Miss Davis suggested, giving her a knowing look. A really knowing look. It hit Vicki so hard her head almost snapped back. What was Rand doing in here in the middle of the school day, anyway?

"N-no, nothing like that," Vicki stammered, caught off guard. "I, uh, don't really hang with any boys."

"So, you were meeting a girl, then?" Davis went on. It was becoming more obvious to Vicki by the second why the guys called Davis the hottest MILF around. The woman had it going on. Big tits, slim waist, nice ass. There had been rumors floating around about Rand and Davis since Vicki had been a freshman. Now? She was starting to believe them.

"And, just what were you and this mystery girl planning to do instead of going to class, eh?"

Vicki froze. How? How could Miss Davis know? Was Debbie in another room, being grilled the same way? It

felt like a bad women's prison movie. One of the sexy ones, though, where none of the inmates ever wore bras, and the guards were all buff studs. Buff...like Rand. Vicki gulped. If Davis knew that she'd been sneaking out to watch Debbie give her boyfriend a blow job under the bleachers, then what? What would her parents do if they found out?

"Vicki, are you all right?"

She looked at Dr. Rand. Holy shit, he would've needed a MacBook Pro to hide the hard-on he had. So, they did know! They were just trying to get her to admit it. To rat on Debbie.

"It was, you know, no big deal. She was, was just...gonna show me stuff. Stuff, stuff I've never done."

She sagged, not knowing what else to do. Forget just getting a detention and note sent home. If they knew she was going to cut out to go watch her BFF giving a guy head? Was that the kind of thing they could use to expel her? Even if she wasn't sucking the dick herself, did it matter? How much did watching other students

getting each other off count for?

"What, 'stuff' are you talking about, exactly?" Davis asked, crossing her arms. Damn, but it made her boobs look even bigger! What was she, Vicki wondered. If there was no push-up action going on, a D, she guessed. And a full one at that.

"J-just, girl stuff."

"Girl stuff? That's pretty vague, Victoria. I think things would go a lot better for you if you just told us what you were going to do."

"Okay! I was going to watch her suck him off!"

Vicki couldn't help it. She thought she was going to hyperventilate. Davis and Rand looked at each other.

Suddenly, Vicki felt like the world's biggest idiot. They didn't have Debbie in another room. They weren't trying to get her to confess. Not really. They were just doing their job. Asking why a student who'd never been in trouble before had gotten caught skipping math and sneaking out of school. Now, though? Now they knew everything.

"You were cutting class to watch someone get a blow job?"

Davis couldn't help herself. She started to laugh.

"What's so funny?" Vicki asked.

"Sorry," Rand said, chuckling. "It isn't often we catch someone cutting who's never sucked a dick."

"Yeah, well..." Vicki said, pouting. "Not all of us look like you. Or you."

She nodded her head at Davis, then Rand. Davis stood up. Vicki expected to be marched off to Principal Kreutz's office to be suspended. Instead, Davis unfastened the buttons on her blouse.

"Looks like today's your lucky day," she said, peeling herself out of the form-fitting top and letting it fall to the floor. "Until Mr. Mulvaney interrupted, we were planning on spending the period conducting our own oral exams. Bob, what do you say? You whip it out and I'll give Vicki some pointers."

Vicki's head was spinning. But, Rand did as Davis asked, taking out his cock and smiling at Vicki as Davis slithered down his body.

"Guys love chicks who'll get on their knees," she explained, grabbing hold of Rand's huge prick.

Davis was no Amazon, but Vicki could see how easy it was for her to open wide and inhale Rand's cock. He grabbed the back of her head, thrusting between her lips, giving it to her like he was fucking her mouth. Drool ran down Davis' chin and trickled down Rand's pole, collecting on his balls. Vicki gawked, gape-mouthed. Davis pulled Rand's dick out to get a breath.

Her bald pussy was no more than a tongue's length from Vicki's pre-cum smeared mouth.

"Geez, Victoria, you look like you've never seen a cock before."

"N-not in real life."

"What?" they blurted simultaneously. Vicki sighed sadly.

"Wait, you mean...never?" Davis pressed, flabbergasted.

"Never," Vicki confessed.

"Well, then, get over here!" the sexy assistant principal exclaimed.

She pulled Vicki from the chair, tugging her down to the floor beside her. Vicki couldn't believe the size of Rand's hard-on up close. Davis took Vicki's hand and put it under Rand's nut sac.

"There. Run your fingernails along his balls. Yeah, like that. Trust me when I tell you it really turns guys on."

"Don't tell her," Rand said. "Show her."

"What do you say, Victoria? Ready?"

Vicki nodded. Davis tilted Vicki's chin up and guided Rand's stiff tip to her lips.

"Pout a little," she instructed. "Then French kiss it."

Vicki closed her eyes. She gave her best sexy-pouty look—the one she practiced in the mirror—and felt Rand's dick-

head at the center of her kiss. Warm and salty, just like Debbie told her it'd be. Rand's pre-cum was oozing steadily, coating her lips like her favorite lip gloss. And then...

Rand's hands were on the back of her head, his meat hammer filling her mouth, his veiny shaft dragging across her tongue.

Vicki sucked away. Ferociously. Sure, she hadn't seen a blow job before, or held a dick in her mouth, but she'd heard enough girls talk about doing it, and had fantasized enough to make the most of her first chance. She grabbed hold of Rand's pole, stroking him with her right hand while working his nuts with her left, doing her best to take a little more cock each trip she took down his shaft. Davis, meanwhile, had doffed her bra and in true female prison movie fashion, was down to nothing but a skimpy pair of panties. Panties Vicki could see were wet where it counted. Vicki shut her eyes again and gave deep-throating another try.

Davis stepped in behind her, hands creeping up under Vicki's shirt, playing with her firm, swollen nips. Her hips were right up against her ass, one hand slipping down to Vicki's waistband.

"You really don't need to keep these on, do you?" Davis asked, not waiting for an answer. Rand did the honors upstairs, stripping off her shirt while Davis worked Vicki's drenched bloomers free. Vicki was left on her knees, hand wrapped around her assistant principal's dick, completely naked but for socks, which Davis clearly wasn't interested in wasting time with.

"I know you've never sucked a guy before," she whispered. "But...ever tasted another girl?"

Vicki shook her head. Truth was, she'd thought about it once or twice, because Debbie liked to talk about threesomes. She hadn't had one, but whenever she brought it up, she always talked about two girls doing one guy. Vicki wanted to know what it'd be like to be the second girl in those scenarios, which would have to get a little lezzie, right?

As she turned to answer, however, she found Davis in front of her, sans panties. Her bald pussy was no more

MADDIE:
TINY
TART

Maddie is feeling more confident with her body.

If you recall from the Aug. '18 issue, Maddie was a little insecure about the size of her chest. But after having a positive experience sharing her naked body, she's feeling more comfortable in her own skin. "I'm starting to appreciate my body more and realize that I am sexy, even if I have little boobs. Now I'm wearing skimpier clothing and wanting to show off more. I love how guys are looking at me now."

Did anything in particular happen to make you want to show off more skin?

"I had sex with this guy who has a huge dick, and he told me that he was really turned on by my little tits. If a super hung guy like that would get that hard and horny for me, then there must be more guys out there who like that too. That adjusted my attitude, and I think my extra confidence has made me more attractive as well. During sex I used to try to hide under the covers. Now I want the lights on and my body totally exposed so the guy can see every inch of me."

Ava needs to get her grades up. But the only thing she gets up is the tutor's cock. He tries to get her to care about her school-work, but this pervy pupil just wants to suck and fuck. He

plays with her pussy. She drools all over his cock and deep throats it down to the balls. Ava loves to suck dick and it shows. And she also loves to get her little pussy pounded.

hard pounding.**

Ava gets on top of the desk for a ball-slapping fuck, her ass clapping back against her tutor's pelvis as he drills her. She's into it, and so are we. Ava's quite the little moaner. The harder she gets fucked, the louder she moans. You can see for yourself in the movie *After School Slut Club 6*. Just make sure no one's within earshot when you watch her scene!

Ava, why don't you do your homework?

"I have other stuff on my mind, like sex! It doesn't help that my tutor is a cute, older guy. One time I was being really naughty and flirty and I saw that he got a hard-on. I was so horny my pussy was practically cramping. So I deep-throated him and then he fucked the shit out of me and sprayed my face with cum. It was so hot."

than a tongue's-length from Vicki's pre-cum smeared mouth.

"Closer," she whispered, hanging on to Rand's erection and taking a whiff of Davis' wet snatch. Davis shifted, and Vicki pressed her face into her gash, jacking Rand at the same time.

"Nicely done," complimented the MILF, grinding her twat into Vicki's face and leaving her glasses askew.

"You aren't bad at all for a newcomer," Davis said, stroking Vicki's cheek.

Hands were all over Vicki's small boobs, but with her face buried in Davis' snatch one minute and getting mouth-fucked by Rand the next, it was hard to tell who was doing what. Not that she cared. Her taut buds tingled with heat, pussy juice streaming down her thighs. That reminded her, though. She had a free hand, too.

She reached between her legs, pressing the heel of her hand hard against her nubby clit. God, but she was desperate to climax! None of this felt real. She refused to question it, though, and instead worked two fingers into her cunt.

Davis grabbed Vicki's hair, nectar flowing freely over the teen's virgin tongue. Rand fondled Davis' big tits, getting his co-worker even creamier. Vicki continued frigging herself, so close now. Soooo fucking close.

Davis bucked, gasping, fingernails biting into the back of Vicki's head.

"Ungh! Yeah, Vicki! Eat it! Tongue my pussy like a little slut!"

Vicki released Rand's cock, pulling sticky fingers from her slit and grabbing hold of Davis' ass, eating the older blonde raw.

"Don't stop," Davis urged. "Yeah, just like that. Stick that dirty tongue of yours up my fuckhole."

Vicki's thighs parted. For a split second, she thought it was of her own doing—so she could start fingering herself again. But no, it was Rand, who was lifting her leg off the carpet, sliding in beneath her.

Vicki nearly convulsed. She was straddling him, his cockhead parting her folds. She pressed her head into Davis' crotch, waiting for it. Waiting for his cock to shred her hymen and rescue her from virginhood. She wouldn't be the only girl in the senior

class who hadn't gotten any!

There was pain, but it didn't last. Just a pinch, and then Rand was up her twat balls-deep, his big hands fondling her boobs, Davis rubbing her lips against Vicki's slimy tongue.

"What do you think, Victoria? Lot better than just watching, isn't it?"

Vicki *Mmm-hmmmed*, her walls stretching to accommodate Rand's thick hard-on. Vicki was a total novice. She'd gotten off a thousand times, true. But, unlike Debbie or her other friends, she didn't have her own sex toy. She'd never snagged one from her mom's drawer, the way Trish liked to do. She'd never stuck a particularly dicklike piece of fruit up there. Nope, nothing like that. Her middle finger and occasionally her index finger when she was feeling really adventurous. Rand's cock, though, was beyond her wildest imagination. She had no clue the orgasm was coming 'til it was right on top of her.

"Hu-huh-ohhh!" she whimpered, falling back, Rand's full length crammed into her tight box. Vicki placed her hands on his chest, gulping air. He pulled her into a bear hug, somehow managing to penetrate her

just that much deeper.

"Unh-unh-unh," Vicki groaned, Rand's cock turning her inside out. "O-one m-more, please," she begged, biting her lip. It was so freaking good. Almost too good.

"Sure," Rand said playfully, thrusting into her while she returned her attention to Davis's greasy slit.

This wasn't going to take long, and she knew it. She tongued Davis' box frenetically, hoping that they could

both get off at exactly the same time. That's what she wanted, to cum riding Rand's pole while Davis lathered her face. As for Rand, well, he'd just have to wait his turn, wouldn't he?

Vicki went for it. She put the same two fingers she'd been using on herself into Davis' pussy, the well-built blonde moaning, gyrating against Vicki's mouth.

"Yesyesyesyesyesyes!" Davis cried,

EMILY: Calling Her Pocket

Emily is a sharpshooter when it comes to pool.

She's a pro in the billiard room or in any situation where she needs to handle a big stick. The guys don't particularly like losing to her, but they deal with it because they like checking out her perky, little ass while she's bent over the table. Emily always makes the pockets she calls, and as a result all the guys are calling *her* pocket.

Do guys check you out when you play pool?

"Oh, definitely. It's always funny when they approach me, thinking I don't know what I'm doing. I let them show me stuff, and then surprise them by pocketing all my balls. If they didn't already want me, they definitely do after that. I can feel their eyes on my legs and ass while I play. It makes things sexy and electric. It makes my panties wet."

**Have you ever
fucked anyone
you've played
pool with?**

"Yeah, I've hooked up with a guy or two I met at a billiard hall. But the table that's seen the most action is the one in my parents' house. That's how I learned to play so well. And when they weren't home I'd always sneak guys in, kick their ass at pool and then fuck them on the table. I always have to be really careful cleaning my pussy juice off it afterwards!"

pulling Vicki so tight against her twat she couldn't breathe. Rand pinched her nips just then, driving his length up into her, and that was that.

The cum poured out of her. This climax was outrageously more intense, and, coming at the same time as Davis splurted on her face, it became a contest-to see who might pass out first!

After a full minute of nonstop release, they silently called it a draw, Vicki rolling off Rand and hugging herself on the floor, every nerve in her body on fire. Davis, however, needed no such time-out. She climbed atop Rand's ginormous cock, swallowing it into her gushing pussy, riding her co-principle like a mechanical bull.

"Damn, you're wet!" he exclaimed, grabbing her ass and ramming his junk up her box.

"Yeah?" teased Davis, arching her back and playing with her tits. "Vicki deserves the credit for that," she added, giving the teen a wink.

"Hope we can give her a little more than that before we're done," Rand huffed, Davis' cunt squelching every time her lips slammed into his groin.

"Ooh," Davis cooed, closing her eyes and tilting her head back. "What do you have in mind?"

"We'll see...if she's ready for it."

Vicki was regaining her senses, even if her inner thighs were still quivering like a marathon runner's. She watched Davis and Rand fuck, so glad she hadn't wound up under the bleachers watching Debbie.

Rand rolled on top of Davis, pinning her wrists to the floor to get better leverage. Davis flexed, pushing against him on the downstroke, a carpet-spattering, sloppy jack-hammering that had Davis right on the edge.

"Drill me," she gasped. "Pound me good, Bobby!"

Rand adjusted his pace, clearly close to busting a nut. Vicki wondered how he'd do it. Would he pull out and spray his jizz all over her? It'd sure be something to see him unload on those nice, round tits of hers. Or, maybe he'd pull out and let her jack him 'til he shot, making him cum on her tummy. Or, what if Rand withdrew at the last second and Davis sat up, letting him drain his nuts right down the

We can't get over how stunningly beautiful Jia is.

Her fresh, dewy face and pink lips lure you in. Her porcelain skin is flawless. Her shy expression leaves you wanting more. And then there's that long, natural, red hair mesmerizing you. And this is just Jia at a first glance. She's even more alluring once her clothes start to come off.

We know that Jia's a natural redhead.

And that's because she kindly left a strip of red hair on her pussy. "I love my red hair, and I don't think it's very common to see a girl with red pubes. I didn't want a full bush because my pussy is so nice that I think you should be able to see it. But I didn't want to be totally bald either. So that's why I shave my pubes into a landing strip."

What gets you the most compliments?

"My hair, of course. Besides that, the guys I've been with have told me I have a nice pussy. They tell me it smells and tastes good and it feels tight when they fuck me. I look at it in the mirror and agree that it's pretty and pink. It feels tight when I put a finger in, so I can imagine how it feels on their cock."

back of her throat? Vicki was envious of the possibility. She'd gotten her first taste of jism, and she liked it. Getting to swallow that much nut butter? The thought made her shiver.

"You're gonna blow, aren't you?" Davis asked.

Rand nodded, gritting his teeth, trying to hold out just a few strokes longer. Davis clamped her eyes shut, her breath erratic.

"Now!" she squealed. "Do it! Cum inside me!"

That, Vicki hadn't been expecting. She stared, mouth hanging open, as Rand grunted, his ass muscles clenched, and erupted in Davis' pussy. He kept at it, continuing to bang away, his hot white goo leaking out of her.

"Ever taste a creampie?" he asked. Vicki shook her head, eyes glued to Davis' wet muff, more of Rand being wasted as it dripped on the floor.

"First time for everything," Davis encouraged, spreading her lips so she could get a really good look. "Well?"

Vicki went down on her like a wolf on a rabbit, pulling one of Davis' legs up over her shoulder so she could get her tongue as deep into Davis' hole as possible. The taste of Rand's warm cum mingled with Davis' tangy snatch drove Vicki wild. She stuck her middle finger in, sucking it dry before going back to work on Davis' twat. The last thing she remembered before the AP closed her thighs around her ears was the sound of the bell ringing.

"Where were you?" Debbie asked as the girls walked home. "You didn't show up, then you weren't in any of our other classes either!"

"Sorry. I got called into Miss Davis' office for something," Vicki said.

"You got in trouble? For what?"

"No, nothing like that," Vicki explained, muscle contractions running through her still-damp pussy. "It was all about some after school programs they wanted me in on."

"So, you got to miss four classes?"

"They gave me a pass," Vicki said, wondering how many more she'd get to skip before the school year came to an end.

It's this nerd's lucky day.

He's supposed to tutor Charity, who's popular, pretty and used to getting what she wants. And Charity definitely doesn't want to study. She'd much rather get her pussy licked and fucked. This is a once-in-a-lifetime opportunity for him. Once her head is bobbing up and down his long cock, he agrees that this is way better than studying.

Charity, why do you like nerds?

"Well, the popular guys get lots of ass. They're used to it. But the nerdy guys don't get any action. I could only imagine how hard they'd jerk their cocks if I flirted with them. So one day I totally seduced a nerdy guy, and I could tell that his mind was blown that I wanted to suck and ride his cock. It was the highlight of his life...and probably mine, too."

**She may be a
princess, but
she's not afraid
to work!**

Charity backs her ass up on his cock as they fuck doggie-style. She grinds her hips as she rides. After pumping her pussy on his dick, she gets down on her knees and takes his load with her mouth open and tongue out. In this case, the tutor was the one who learned a lesson--and that lesson was that princesses always get what they want. Watch the scene in *After School Slut Club 6*.
